Competition: Win Concert Tickets

Enter our competition to win a pair of Da Capo Alba concert tickets this June.

You've all seen the popular Sudoku puzzles, well now we have something new for you: The Musoku.

The puzzle has exactly the same rules as the traditional Sudoku, but uses musical symbols instead of numbers. It doesn't require any special mathematical skills or calculations. It is a simple and fun game of logic.

There is really only one rule to Sudoku (or Musoku!): Your goal is to fill in the empty squares of the game board so that each of the musical symbols occur exactly once in each row, column, and 3x3 box. The symbols can appear in any order and you don't have to consider diagonal lines.

Send your Entries to the address shown below by the **24th May 2008** and a winner will be picked from correct entries at the Da Capo Alba orchestral rehearsal on 28th May 2008.

The winner shall receive two free tickets for a Da Capo Alba concert in June (14th June or 28th June).
